

Behaviour

Please note that the pupils are expected to behave at all times in a manner which is polite, considerate and a credit to parents and the school.

We would appreciate it if you could stress to your son or daughter, the importance of a high standard of behaviour throughout the journey.

We are looking forward to an exciting and enjoyable trip away!

Travel Details

Depart: Monday, 6th June
Return: Friday, 10th June

Please start arriving at school from **8.30am** as we shall be leaving school at **9am**, on **Monday, 6th June** and should arrive in Bembridge by early afternoon. Please park offsite and bring your child into the school hall. We will not be able to use the drive through for this as it will still be used for regular school drop offs on this day.

The children will require a packed lunch to eat upon arrival at the Kingswood Centre— **NO sweets, cans, glass bottled or fizzy drinks please. A refillable named water bottle is essential for the week.**

Parents are welcome to wait until the coach leaves to wave their child off but again, please be aware of parking considerately.

We will arrive back at school by 2.00/2.30 p.m. on Friday, 10th June. Should our return be delayed, a teacher will ring ahead to the school and a notice will be displayed at the front entrance. Children can then be collected from the school hall.

General Information

Medicines:

It is most important that Mrs Downes is informed well before departure of any medical problems so that it can be shared with the appropriate adults. Medical forms have been sent home and if you require an additional form, please email her.

If your child requires any medicines, please ensure these and any instructions are put into a resealable sandwich bag, clearly labelled with your child's name, and given to your child's group leader **on the morning of departure. The groups will be listed in the hall when you arrive with your child.**

If your child requires medication for travel sickness, please give this to your child for the journey out and provide some for the journey home.

Personal Belongings:

As mentioned, children may bring cameras with them if they wish to – looking after these will be their own responsibility. However, they will be given to an adult for safe keeping over night. **NO MOBILE PHONES.**

No mobile phones will be permitted
